

STATE OF CONNECTICUT

INSURANCE DEPARTMENT

March 24, 2020
Bulletin Number FS-36

TO: ALL INSURANCE COMPANIES, HEALTH CARE CENTERS AND FRATERNAL BENEFIT SOCIETIES AUTHORIZED TO DO BUSINESS IN THE STATE OF CONNECTICUT.

SUBJECT: Compliance With Certain Filing Requirements in Light of COVID-19

The coronavirus disease 2019 (COVID-19) outbreak in the United States including Connecticut continues to severely impact businesses, supply chains, workforces and consumers. The COVID-19 has led to disruptions to transportation, limitations on social and business gatherings, imposition of quarantines, self-isolation and social distancing policies by government and businesses such as working remotely and use of virtual-only meetings and teleconferencing in lieu of in-person meetings in order to help slow the spread of the virus and minimize the resulting serious illness or death.

The Connecticut Insurance Department (CID) recognizes that COVID-19 may present challenges to Connecticut licensed insurers and other regulated entities in meeting certain regulatory filing requirements, particularly if, as a result of COVID-19, personnel or other third-party service providers that are necessary to prepare these regulatory submissions (reports/filings, etc.) become unavailable or only available on a limited basis. **Connecticut Governor Ned Lamont, in recognition that certain documents require the in-person services of a Notary Public or Commissioner of the Superior Court, has issued [Executive Order No. 7K](#), to permit notarial acts to be performed remotely as specified therein (“virtual notarizations”).**

Therefore, in light of the current COVID-19 situation, the Insurance Commissioner finds that it is in the public interest and consistent with efforts to slow the spread of the virus and minimize serious illness or death for the CID to provide conditional regulatory relief and assistance to Connecticut licensed insurers with respect to certain regulatory filings requirements, as described herein.

The authority for this action, unless otherwise specified by law, is provided to the Insurance Commissioner under Conn. Gen. Stat. § 38a-8, which gives the Commissioner “all powers specifically granted, and all further powers that are reasonable and necessary to enable the Commissioner to protect the public interest” in accordance with the duties imposed on the Commissioner by the insurance statutes.
